# WHAT'S IT LIKE TO HOST YOUR EVENT ON THE WATER?

## GET EXCITED

---

Prepare your guests for a unique experience! Pick up your tickets at the booth near the boat, and make sure everyone in your group has one prior to boarding. From there, let us bring your event to life on deck.

## BOARDING

---

As you board, your group will have a chance to take a professional photo together. The prints will be available for purchase later in the cruise or at the end. Just like a restaurant, a host will greet you and take you to your table.

## DINING

---

Settle in, meet your event coordinator or server, and get ready to set sail. Your server will invite you up to the buffet (which is all you can eat), take your drink order, and check back with you throughout the cruise. Let them know if you have any dietary restrictions or allergies. On Virginia Elite charters, your dining experience is designed ahead of time with help from your event coordinator.

## ENJOY THE VIEWS

---

No need to stay stuck in your seat. Feel free to explore the vessel at any time - Spirit of Chicago features an open-air outer deck lounge space. Sip on a cocktail while relaxing on the outdoor deck, challenge your crew to a game of shuffle board, or snap a photo with the Chicago skyline fleet as your backdrop.

## LET US ENTERTAIN YOU

---

Hit up our designated dance floor where our DJs lead the festivities! Enjoy a mix of classics and contemporary hits that keep the energy high.

## SOMETHING SWEET

---

Finish off your cruise with a delicious dessert. Those celebrating with us are often treated to something extra sweet.

## SEE YOU NEXT TIME

---

Once the boat docks, no need to hurry off. Relax as you savor the last song, finish your dessert or get your boarding photo before our crew wishes you well.
